

# THE BEACH HOUSE

By Kaye Coleman

The Feast of Lanterns is grateful to have had Kevin Phillips, owner of the Beach House and his amazing team, host the 5th annual Beach House Brunch Fundraiser as the official kick-off to the season of the Feast! Each year this event sets an elegant tone for the summer of activities and appearances made by Queen Topaz, Scholar Chang and the Royal Court. It features a divine buffet of flavors along with a live and silent auction. Auctioneer Al Borges always gets the live auction going with his enthusiasm. The Royal Court attends the event, showing the live auction items, teaching the public about the rich history of the Feast and the main events happening July 20-28, 2018.

The stunning views at Lovers Point are a perfect backdrop for this event and a reminder of Feast

Day when the pageant is performed on the pier. The Beach House is the best place in town to enjoy the fireworks and our beautiful hometown celebration. Chef Matthew Farmer has elevated the menu and General Manager, Jeremy Phillips makes sure everything runs smoothly. The Beach House delivers delicious cuisine and each time you eat there it creates a wonderful memory. We are so proud to have the Beach House Brunch as part of our Feast family. Come and celebrate the Diamond Anniversary and watch the fireworks from the Beach House on Pageant night July 28, 2018.
