

PRINCESS EMERALD – CALI KNOOP

Adored by many, Cali Knoop, is this year's Princess Emerald. She will be a freshman this fall at PGHS. Since moving to Pacific Grove in 2011 she has made many friends and has served her community well. She has been a part of Girl Scouts since third grade which has taken her on camping trips, spending time in senior centers, volunteering for local charities and so much more. She was the Creative Designer for the PGMS Yearbook Staff and was in Honors Choir for all three years of middle school. She has also been in the middle school play all three years. She is a part of her church youth group and has attended Girls Camp with them for 2 years. She is working on her Young Women's Medallion which helps to strengthen her skills and talents. Cali is the oldest daughter of KC and Carolyn Knoop with one older brother Seth and a younger sister Hanna and younger brother Wyatt. We wish her the best for this year and hope she enjoys the Feast of Lanterns!

PRINCESS AMETHYST – CAROLINE COEN

Fulfilling a childhood dream by reigning as Princess Emerald 2017, Caroline Coen returns to the court as Princess Amethyst this year. Along with dancing at RockStar Dance Studio, Caroline participated in girls' tennis, girls' soccer, and distance track and field her freshman year at Pacific Grove High School. She will be a sophomore this fall at PGHS. She also enjoys music, marching in the high school band with her flute and playing in the CCS Honors Orchestra with her violin. She has managed to balance extracurriculars with academics, maintaining straight As. Caroline is the only daughter of Michelle Ford and Francis Coen and she has two younger brothers, William and Thomas. Caroline has collected Feast of Lanterns trading cards since 2011, and the Feast of Lanterns has always been one of her favorite Pacific Grove traditions. She is so excited to be able to partake in the Feast again this year!
